

Dear Parent/ Guardian,

Our Saviour Lutheran Church promotes the preschool through various promotional materials (i.e. website, social media, brochures, etc.) and would like to include pictures associated with Our Saviour's educational ministries. For that reason we are asking for your permission to post photographs of your child.

To ensure the privacy of your child, Our Saviour Lutheran will make sure:

- A student's last name is never published.
- No identifying material will be posted on the Internet (such as personal phone numbers, home addresses, and individual pictures with the student's first and last names.)
- If a class picture is posted, it may mention names but not where individuals are standing in the picture.
- Class pictures will generally include at least three students.
- If individual student pictures are posted, they will not include names.

If you have any questions, please contact the Church office at 913-236-6228 x 104.

To be completed by the Parent/ Guardian:

As parent or guardian, I consent for Our Saviour Lutheran Church to post photographs of my child/children on the Our Saviour Lutheran Church website (www.oursaviourkc.org and www.oursaviourkcpreschool.org) or use on social media, in displays, promotional materials, etc. I am aware that no personal information will be made public and that the church will maintain strict confidentiality of personal information.

This permission is valid from August 2018 – July 2019. Please note that photos taken during this time period in printed promotional materials can be continued to be used after July 2019.
