

Preschool Update

September 6, 2018

PRESCHOOL IS OFF TO A GREAT START

The first week of preschool has been very productive. We have made new friends, reacquainted with old friends, discovered our growing bodies and shared God's love with our friends.

BIBLE STORY: This first week of school I shared with your children the Bible story **Jesus Loves the Little Children**. Included with each newsletter you will find a copy of that week's Bible story. On the back of each sheet there is a letter to the family giving suggested ideas to extend each lesson at home. Also, on the back of each bible story sheet you will find a Bible lesson to share at home with your family. On the front of each of the three-year-old bible stories is a spot for your children to color so they can take part in the picture as well as the story. Don't forget to have your child help put theirs in the notebook that has been sent home.

DISCOVERING OUR BODY / SENSES:

We are starting a mega unit on our five senses. We will start off with our sense of sight. This can be a wonderful experience, discovering all the wonderful things we can see because God gave us eyes. This is exactly what preschool will spend next week doing.

BOOK ORDERS were sent home in your orientation folders. They should have been returned to school no later than this Friday September 7th. If you have any questions, please let me know or if you forgot to turn in your order please call me before noon on Saturday.
